Extending Knowledge Changing Lives

University of Illinois Extension-Jo Daviess County
204 Vine, PO Box 600—Elizabeth, IL 61028

If you need a reasonable accommodation to participate in this program, please contact us at 815-858-2273.

Spring Cover Crop Growth and Termination Field Day

Research and Demonstration Project on Greg Thoren's Farm, Year 2

Thursday, April 6, 2017
3:00 p.m.
13700 E. Blackhawk Rd.
Stockton, IL

Please join us for a walk through the different cover crop mix plot and see what effects fall termination had on some of these cover crops.

Some things that will be highlighted include:

- What is greening back up
- How are residues being managed
- Herbicide use

FREE

Pre-Registration Appreciated:
Call U of I Extension-Jo Daviess County
at 815-858-2273 or visit
web.extension.illinois.edu/jsw

From Stockton: go 3.25 miles East to Willow Rd, then go 4 miles South on Willow Rd to East Blackhawk Rd. Turn right on East Blackhawk Rd. the farm is 0.25 miles down Blackhawk Rd. on the right

Tile Water Nitrate Testing Offered:

Farm Bureau will be offering nitrate testing for tile and surface water. **Farmers and landowners are encouraged to bring a small water sample for testing.** The results will give you an idea of the type of nutrient losses occurring from your farm.

Project Sponsors:

Agnetic, LLC
Generating Ag System Design Benefits

Project Participants include:

- Greg Thoren-farmer
- Jay Solomon- U of I Extension
- Art Scheele- Agnetic, LLC
- John Musser- Stephenson Service Company
