

Farmers of Mill Creek Watershed Council

Fall Cover Crop Field Tours

Thursday, December 7, 2017 from 9:30 AM – 3:30 PM

Eron Agronomics Shop, 1310 Eron Rd, Junction City, WI 54443

Free, but Pre-Registration is Required

Join us for our fall cover crops field tours. We will be providing two identical bus tours of several area farms to see and learn about how they are incorporating cover crops in to their operations.

On the tour you will learn about various planting methods, see several different species of cover crops growing, see a demonstration of the YSI multi parameter water sampling system, and learn about our on-farm cover crop research project.
